

Senior Parking Information 2016-2017

Parking permits will be \$25 for the school year. Should you lose or misplace your permit placard you must pay an additional \$10 to replace it.

On orientation day you ***must*** bring a ***current*** copy of the following:

1. Valid driver's license
2. Proof of insurance
3. Car Registration
4. Permit fee \$25

Please print the above information on one sheet of paper, front side only, 1" margin on left side as this copy goes in a binder.

No copier available on campus during orientation for making copies.

All the above documentation must be current when you apply for a permit on orientation day or you may be turned away. If you will not be here for orientation, you will have to purchase your parking during the first week of school. If all parking spots are assigned during orientation, we can add your name to the waiting list during the first week of school in the Climate Office.

Thank You
