Strategies for Successful Students

Organization

- ✓ Write *everything* down in an assignment notebook.
- ✓ Keep a separate folder for each class. *It is sometimes helpful to color code binders, notebooks, and folders for each class.*
- ✓ Periodically go through your notebooks and rearrange papers in neat order. It might be helpful to keep completed units separate from the current unit.
- ✓ Always keep papers/assignments/notes separated in their appropriate places. Mixing them will create confusion and things might get lost!
- ✓ Periodically clean out your backpack and locker.
- ✓ Join all Google Classrooms and check them regularly.

Time Management

- ✓ Use a planner to write assignments, after-school activities, and other responsibilities.
- ✓ Make a "To Do" list every day and prioritize. Focus on those things that must be completed first. Mark items off as you complete them.
- ✓ Post sticky notes on your locker, binder, mirror, etc., to remind yourself about projects and upcoming tests.
- ✓ Use spare minutes wisely; *read on the ride home.*
- ✓ Communicate your schedule to friends. If you have a long night of studying ahead, ask your friends not to call and distract you.

Homework

- ✓ Try to study at the same time each night.
- ✓ Have all the supplies (paper, pens, pencils, markers, etc.) you will need on hand before you begin.
- ✓ Find the place that you can study every night with the fewest distractions.
- ✓ When you are not sure about the assignment, ask your teacher or call a friend.
- ✓ Review your notes a little every day.
- ✓ It is O.K. to take breaks, as concentration begins to fade, and then return to work.

Note Taking

- ✓ Always date your notes and keep them in order.
- ✓ Keep notes for each subject separate from one another.
- ✓ Use abbreviations when possible, i.e., & for and, ex for example, NE for Nebraska.
- ✓ Rewrite notes; it's a great way to study and they'll be neater.
- ✓ Put a "?" in your notes by places where you were confused or might need to get a little more information. Then, be sure to ask your teacher or friend, or look in your textbook for additional information to help you understand. Keep all past quizzes to review for the test.
- ✓ Review notes a little everyday so that you won't feel so overwhelmed when it is time for the test.
- ✓ Complete any review sheet the teacher offers.
- ✓ Read all directions carefully before you begin.
- ✓ Stay relaxed during the test. Taking slow deep breaths can help. Focus on positive self-statements such as "I can do this!"
- ✓ When the graded test is returned to you, review the questions you missed and try to learn from your mistakes.
- ✓ Multiple Choice Test Tips: -Cross out wrong options to narrow down choices
 - Look for common words in the question and in the choice
 - Read every option before answering
 - True/False Test Tips: -An item with words such as all, always, never, none are usually false
 - An item with words such as some, sometimes, usually is typically true
 - If part of the statement is false, then the entire statement is false

Attendance Policy

C. K. McClatchy High School strives to serve its students by offering the best possible educational opportunity. Regular attendance is a commitment —the cornerstone to success. To impress upon students the importance of regular attendance and promptness to class the following consequences for uncleared absences and tardies are in place for the upcoming school year.

A Written Absence Note is **required within five (5) days**. All Notes **MUST** include:

- ◆ Student's full legal name, grade and date of birth
- ◆ Date and reason of the absence
- ◆ Your name and relationship to the student
- ◆ Contact phone number
- ◆ Uncleared absences become truant.
- ◆ Students with five or more uncleared absences during a quarter may lose the privilege of participation in activities, extra- and co-curricular activities, including athletics, loss of work permits, and loss of campus parking privileges.

C.K. McClatchy 1st Period Tardy Policy and Procedures

School starts at 8:30 am

- ◆ A student is considered tardy if the student is not in his/her assigned classroom before the bell completes ringing. Failure to get to class on time may result in an administrative detention. Three tardies in one week can result in detention.
- ◆ At 8:30 am; all perimeter gates and exterior doors will be locked.
- ◆ Administrators, monitors, and teachers will direct students in hallways to go to the kiosk in the main lobby. Students will be directed to the auditorium doors from the main lobby by a monitor.
- ◆ Teachers should only accept students before 8:30 am and direct late students arriving between 8:30 am and 9:00 am to the kiosk in the main lobby. Students will be directed to the auditorium doors from the main lobby by a monitor.
- ◆ Students will cue outside the auditorium doors. Technical staff will process each student upon entry and hand them a RED DATE STAMPED PASS.
- ◆ Teachers will only accept students into class after 8:30 am who have a RED DATE STAMPED PASS. When a student comes in, take the pass from them, mark them tardy in IC as per usual, ***tear the pass and throw it away. They may not keep the pass.***
- ◆ Beginning at 9:00 am, students will be directed to the attendance window for the traditional readmit process as they are > 30 minutes late. Teachers should only accept students after 9:00 am who have an attendance slip from the attendance office. (Or a red pass date stamped 8:55 am - 9:00 am).

- ◆ Tardy sweeps will be conducted as assigned by school administration
- ◆ All students must be in their assigned classes when the bell rings
- ◆ Students who are tardy during 1st-4th period will be assigned lunch detention
- ◆ Students who are tardy 5th or 6th period will be assigned after school detention (**athletic practices will not excuse students from completing their required detention**)
- ◆ **Students who do not attend assigned detentions may receive higher levels of consequence which could include suspension from athletics or school events until detention is served**
- ◆ Students who receive more than two tardies per day may be issued a higher level consequence
- ◆ Students who are chronically tardy may be referred to the Student Attendance Review Board (SARB). In this case, the student and parent will be required to participate in a hearing at the Student Hearing and Placement Office to discuss the student's attendance problem
- ◆ Students will not be issued passes out of class for the first and last 10 minutes of every class, unless there is an emergency (at the teacher's discretion)
- ◆ When a student returns to class with the pass, they should knock on the classroom door in a non-disruptive manner and wait for someone to open the door to let them in. Students should then enter the room quietly and get on task

Lost and Found

Return lost and found articles to the Front Office. Return lost and found books to the library. *The district and school are not liable for lost or stolen personal property.*

Confiscated Items

Items not retrieved within 30 days become the property of the school; and the school will dispose of said items in a manner set forth by the school authorities.

Skateboards, Roller Blades, Skates and Scooters

Skateboards, roller blades, skates, tennis shoes with skate wheels and scooters must be stored in a locker during school hours. Students are **NOT** to ride skateboards, skates, roller blades or scooters on campus at any time for any reason. If you ride one of these to school make sure they are put away when entering school grounds. Any of the above mentioned items being used on school grounds will be confiscated and a detention must be served before getting property back.

Frisbee / Water Play

Water play, water balloons, water pistols and Frisbee playing are not permitted at any time.

Early Dismissals

- In the event that a student must leave school during the normal school day for doctor or dental appointments or any personal business, students **MUST** bring a note from the doctor's office or parents with a signature to the Attendance Office the following morning.
- The attendance office will issue an off-campus pass, and the absence can then be verified, and no truancy will be recorded.
- If a student becomes ill during the school day, he/she **MUST** go to the Attendance Office to get an early dismissal.
- Parents should be certain that their student obtains an early dismissal from the Attendance Office before they leave campus for an early dismissal.
- Students leaving campus without an early dismissal from Attendance Office, Nurse/Health Office or an administrator will be **MARKED TRUANT** and cannot be cleared.
- Every student gets **ONLY** 10 personal/health absences per year. If an absence is not cleared within 2 weeks (10 business days) from the time the absence occurred, the attendance record will be closed and no changes will be possible.

Emergency Information Cards

State law requires that every parent or guardian fully complete and sign emergency cards at the beginning of each school year. Parents must sign the medical release statement. Without this parent/guardian signature, doctors and hospitals can refuse to provide emergency treatment. A parent/guardian should contact the school office immediately with any changes to update emergency information. If there is no telephone in the home, please list the telephone numbers of neighbors/friends who can contact the parent/guardian. ***These numbers will be used to contact parents with Connect Ed outreach and emergency notifications.*** Up to four numbers can be entered in the system. Please include an e-mail address if one is available. **Emergency cards will be mailed home during the summer to be returned at orientation or the first day of school.**

Class Change Policy

Course Selections are taken seriously, select your classes carefully based upon your post-secondary career and education goals.

It is our intent to keep class changes to a minimum. Changes may only be made for the following reasons:

- Two different classes in the same period
- Missing a graduation requirement
- Emergency or extenuating safety reason. Such class changes will be discussed by the student, teacher, counselor, parent/guardian and administrators.

CLASS CHANGES WILL NOT BE MADE:

- After the 4th week of the semester
- Due to class dissatisfaction or for personal convenience
- For personality conflicts with teachers
- Without Administrative approval

Considerations:

Extenuating circumstances –Administration may authorize transfers depending on individual student's specific circumstances with consideration given to the quality of the overall instructional program.

School Climate

C. K. McClatchy High School is a community of learners who work together to create a positive, productive, safe environment. Student behavior should reflect the standards of good citizenship expected by members of a democratic society. Students are expected to respect constituted authority, laws, school policies and regulations; assume responsibility for their education and behavior; maintain high standards of courtesy, decency and morality; respect real and personal property; and exhibit pride in their work and achievements.

Dress Code

At C.K. McClatchy we take pride in the appearance of our students. We feel that the responsibility for appropriate student dress lies with the student and their parent(s) or guardian(s). Please review the inappropriate dress examples below as the administration reserves the right to exclude any items of apparel or accessories, which are disruptive to school activities. ***The list of dress code violations is not limited to those in this handbook. The administration reserves the right to address dress code issues on an individual basis. If apparel is deemed inappropriate, the student will be asked to change or be sent home. Repeated violation of the Dress Code may result in additional disciplinary action for insubordination, detention or suspension.***

1. Students can wear hats. However, teachers in classrooms can require students to remove them.
2. Students can wear tank tops as long as undergarments and/or private areas are not exposed.
3. Shorts, dresses, and shirts must be a length that ensures undergarments and/or private areas are not exposed.

Dance Privileges and Conduct

The privilege to attend a school dance may be denied based off behavior, and attendance.

Dance movements and mannerisms must fall within the standards of social acceptability and good taste. Physically dangerous dancing or movements, such as "slamming" or "moshing," are not allowed. Dancing commonly referred to as "dirty dancing" or "freaking" or movements which depict private acts or are sexually suggestive or bothersome to others are not allowed. At no time should there be any inappropriate touching between two students.

Students will be given one warning about dangerous, lewd or suggestive dancing. After the warning has been issued, and if the behavior is repeated, the students may be expelled from the dance.

Clubs

Club Rush is held at the beginning of the semester. There is a wide variety of clubs from which to choose. We strongly encourage each student to join one or more clubs to connect with their school.

Large Events

The following policy will be applied to school dances and large athletic events (and large dances as appropriate):

Large Event Guidance for Attendees

With safety being the top priority at large athletic events, the following guidelines will be strictly adhered to:

Only students of the home and visiting teams will be admitted to the game without adult supervision, i.e., C.K. McClatchy High School and visiting team students. Students of the home and visiting teams will be required to show a valid school ID or current photo and active enrollment screen in Infinite Campus (or visiting school student information system).

All other minors under the age of 18 will be accompanied by an adult (age 21+) to be admitted. A maximum of 3 students per identified adult will be allowed. Any person entering may be asked to show a valid California Driver's License Identification Card or other Government issued ID. Any person under 18 not accompanied by an adult will not be admitted.

School personnel reserve the right to search all bags/pockets upon entry and may require attendees to be scanned through metal detectors. Each guest can only carry one bag. Bags have to be 100% clear or transparent. Bags cannot be any larger than 12 inches x 6 inches by 12 inches. *We recommend NO Bags for expeditious entry.* Any items deemed unsafe or illegal will be confiscated. School personnel further reserves the right to ask any attendee to leave the premises if it violates school policies and will not be refunded admission.

Attendees must follow all regular school rules throughout the event, including egress in the parking lot afterward. There will be no loitering before or after games allowed. There are no in/out privileges during the event.

Student Use of Computers

The SCUSD Governing board recognizes that technology provides ways to access the most current and extensive sources of information. Technology also enables students to practice skills and to develop reasoning and problem-solving abilities. SCUSD seeks to focus on the use of technology to support improved academic achievement, including information and technology literacy.

Use of school computers and access to the Internet is a privilege and will only be used for school-related education and research. Students are expected to follow the directions of teachers and school staff and abide by the rules of the school and school district. **If students do not follow the rules, they will be disciplined and may lose their computer privileges.**

Students must abide by the following technology rules:

- A. Handle all equipment with care and only with permission
- B. Any type of food, drink or gum is not allowed in the library or computer lab.
- C. **Protect your password!** Do not allow anyone else to use your password and do not use anyone else's password.
- D. Do not alter the log-in screen or desktop screen-saver.
- E. The cost of document printing is FREE for the first three pages. After three pages the cost becomes, \$.10 per page. Students may save documents to their Google Drive or e-mail their information home.
- F. **Never** vandalize or copy computer data, including **copyright protected material (plagiarism) or other students' assignments.**

Students will be responsible, appropriate, legal and ethical users of technology.

Care of Books, Supplies, and Equipment Books

Books, supplies, and equipment necessary for required instruction are provided without cost or fee. Charges are made, however, for damages resulting from abuse or loss of school materials and equipment. Students should write their names on the inside covers of their books.

Supplies

Legally, students can be charged for materials used in making projects that are taken home for student or family use. The ability of a family to pay charges is not related to class enrollment. If a problem exists in terms of paying the charges, the parent or the student should contact school Administration.

State law provides

Parents/Guardians and the students are held responsible for all willfully damaged or lost properties. If properties are lost or damaged, students or parents/guardians shall be responsible for restitution equal to the current replacement cost of the materials. (*Board Policy 6161.2*)

District Textbook Guidelines

1. Textbooks are provided for use by students and remain the property of the Sacramento City Unified School District. Students are responsible for returning textbooks checked out in their name in good condition, with no more wear and tear than usually results from normal use. (SCUSD BP 6161.2)
2. Each student is responsible for all textbooks checked out under his/her name and is subject to fines if books are lost or damaged. Students or parents/guardians are responsible for the current replacement cost of the materials. (SCUSD BP 6161.2 and CA Education Code 48904)
3. Payment can be made by cashier's check, money order or cash. Cashier's checks for lost or severely damaged books are made out to Sacramento City Unified School District. If the book(s) are later found (within 9 months) and returned, a refund check will be issued by the district. A receipt must be presented in order to receive a refund.
4. Fines may be waived in instances of unusual circumstances at the discretion of the principal, his/her designee or the district. Or, students may complete service hours in lieu of cash payment for damaged or lost textbooks.
5. When materials are damaged but still usable the student will be charged as follows:
6. All textbooks must be returned by students at the end of every school year. If not, the district may withhold the student's grades, diploma, and transcripts until restitution is made or an agreement is reached with the site administration. (CA Education Code 48904). The student may also be denied participation in school privileges or commencement activities. (SCUSD BP 6161.2)

Damages	Cost
Torn pages, ink or pencil marks	\$5-10 for damaged pages
Damaged cover	% of the cost of the book/ total cost if unusable
Damages that prevent re-issuing books (including mold or mildew or obscenities – drawn or written)	Full cost of the book
Missing bar codes	\$5.00

Electronic Devices

It is strongly recommended that non-essential personal property not be brought on campus because we cannot guarantee the security of these items and because they are a distraction to the learning environment and/or are a potential source of trouble. The rule is that if electronic devices are brought to CKM's campus, they are *not allowed to be out during class time without teacher permission*, with the exception of before school, lunch break, passing periods, and after school. The following are considered non-essential items: Cell phones, MP3 players, iPods, iPads, laptops, CD players, pagers, video cameras, walkie-talkies, handheld games, or any other electronic devices. If an electronic device is used in class *without the teacher's permission*, it must be brought to the climate office.

Cell Phones:

The state of California adopted Assembly Bill 272 in July of 2019. The bill declares that there is growing evidence that unrestricted use of smartphones by students during the school day interferes with the educational mission of schools; lowers pupil performance, promotes cyberbullying; and contributes to an increase in teenage anxiety, depression, and suicide. The bill further encourages local agencies to adopt policies to address cell phone use in schools. SCUSD has a Board Policy that pre-dates yet aligns with AB 272.

SCUSD Board Policy 5131.2

California Ed Code § 48901.7

C.K. McClatchy faculty have collectively worked to create site-level plans to ensure students have access to the best educational experience. Limiting phone use in classrooms is key to an environment free from distractions. Each teacher will enact classroom cell phone procedures during the first week of school. There are two possible classroom expectations:

1. Students will store phones in a safe classroom location during instructional time as directed by the classroom teacher. Most teachers will implement a classroom phone caddy or similar routine wherein students place their phones in a designated slot and retrieve it at the end of the period, or in the event of an emergency.
2. Students will keep their phones on silent and in their backpacks. Students will not access their cellphones during class unless authorized to use them by the teacher, or in the event of an emergency.

There may be *some* circumstances when students may access their phones during instructional time if allowed by the teacher.

We ask that parents partner with us in our effort to protect valuable learning time. Students unwilling to comply with classroom cellphone procedures will be asked to meet with the school administration. Progressive discipline will likely follow this progression:

1. Teacher asks student to put the phone away in caddy or backpack
2. Teacher asks a second time to put the phone away in caddy or backpack
3. Teacher or CKM Staff to notify parent of noncompliance
4. Teacher calls for student to be escorted with their phone to the Climate Office
5. The Assistant Principal will assess the situation and apply consequences as appropriate, and contact the parent/ guardian.

Student Use of Technology

The Governing board recognizes that technology provides ways to access the most current and extensive sources of information. Technology also enables students to practice skills and to develop reasoning and problem-solving abilities. Every effort shall be made to provide equal access to technology throughout the district's schools and classes.

(cf. 0440 – District Technology Plan)

(cf. 4040 – Employee Use of Technology) (cf. 6010 – Goals and Objectives)

(cf. 6162.7 – Use of Technology in Instruction) (cf. 6163.1 – Library Media Centers)

On-Line Services/Internet Access

The Board intends that the Internet and other on-line resources provided by the district be used to support the instructional program and further student learning.

The Internet contains an unregulated collection of resources. The district maintains a filter for objectionable content, but the district cannot guarantee the accuracy of the information or the appropriateness of any material that a student may encounter. Internet content changes dynamically and is not under district control. Parents/guardians who do not wish their children to access Internet must submit a request in writing to the principal of any school their child attends. Acceptable Use regulations shall specify user obligations and responsibilities and shall indemnify the district for any damages.

The Superintendent or designee shall establish regulations governing student access to technology that are age appropriate. These regulations shall prohibit access to harmful matter on the Internet that may be obscene or pornographic and preclude other misuses of the system. In addition, these regulations shall establish the fact that users have no expectation of privacy and that district staff may monitor or examine all system activities to ensure proper use of the system. Students who fail to abide by district rules shall be subject to disciplinary action, revocation of the user account and/or legal action as appropriate.

Staff shall supervise students while using on-line services and may ask teacher aides and student aides to assist in this supervision.

Student Learning and Academic Integrity

CKM values academic integrity as an essential component of academic excellence. Students are expected to be truthful and ethical in pursuing their learning and demonstrating their knowledge and skills.

Academic dishonesty is an act of deception in which the student claims credit for work or effort of another person or uses unauthorized materials or fabricated information in any academic work.

Cheating is the act of acquiring or obtaining academic work through fraud, deception, or dishonest acts. Examples:

- ❖ Using or referring to any sources or materials, including electronic devices, not authorized by the teacher during a quiz or test.
- ❖ Copying from someone else's test/quiz

Plagiarism is representing the work of another person as one's own work and submitting it to full- fill the academic requirements of the course. Examples:

- ❖ Submitting a written paper obtained in whole or in part from an outside source.
- ❖ Copying **any** portion of another student's assignment.

Other examples of academic dishonesty:

- ❖ Stealing examinations, tests, quizzes, or scoring keys for tests.
- ❖ Using someone else's paper to obtain credit.
- ❖ Giving your academic work to another student to plagiarize. (**Do not** give your papers to another student for **any** reason)
- ❖ Copying another student's work, but changing a few words to give the appearance of originality.

Consequences of academic dishonesty

Academic penalties will be applied in cases of cheating and plagiarism. You will receive a zero on the test, entire assignment, or quiz if caught cheating or plagiarizing. Additional consequences include but are not limited to: reduced or failing grade, "U" in citizenship, parent notification, and referral, and suspension, notification of offense in school computer record and removal/ineligibility from scholarship clubs.

I have read and understand the policy on academic integrity.
