Welcome!

As you enjoy your summer, we challenge you to take a few moments to set your goals for the next school year as a student at C.K. McClatchy High School. Think about areas you want to improve in and the steps needed to achieve your goals. Reflect on past study habits, how did they work out?

Also, begin thinking about clubs, organizations and sports teams to get you involved in school and to truly make CKM YOUR SCHOOL. We look forward to seeing you at your August orientation. It's a Great Day to be a Lion!

Mission: C.K. McClatchy High School is an exciting, multicultural school, committed to seeing students grow and mature in their knowledge, wisdom, discipline and social skills while becoming independent.

The Making of a Student Schedule

Course selection at CKM is a carefully arranged series of steps progressing from February through August each year, which includes:

1. One-on-one course selection with counselors and students based on transcript analysis.
2. Review of selections and recommendations by counselors and Assistant Principal.
3. Reassessment based on year-end grades and final course offerings.
4. Adjustments as needed to reflect any summer school courses.
5. Final programming by computer-scheduling procedures.

Course changes made after the school year begins interfere with the educational progress of all students, staffing and class loads. We are reluctant to upset schedules unless the reasoning is beyond our control (i.e. course leveling). We urged students to choose their courses wisely. Therefore, we must strictly adhere to the established class change policy for scheduled changes in the Fall.

Class changes will only be made if:

1. A student is currently registered for or has completed the scheduled course through summer school, etc. (documentation required with this request).
2. A failing grade or No Credit was received the previous semester what was a pre-requisite for the current course.
