Dear Parents and Guardians:

Welcome to the home stretch of your students senior year! We are looking forward to a wonderful graduation ceremony shared by the class of 2019 with their family and friends. Your student's participation in the graduation ceremony celebrates their accomplishment and is the highlight of their twelve year journey.

McClatchy High School values the accomplishments of all our students. We take pride in our graduation ceremony and take great efforts to make it as memorable as possible. Part of the tradition and expectation of the ceremony, is to have all students wear the traditional cap and gown as they participate in the celebration of the class of 2019.

Recently, the California Department of Education established an advisory opinion, which updated their ~~standing on Public fees, deposits and other student related charges.~~ The California Education Code (section 38119) provides authority for school districts to ask students if they want to purchase or borrow a gown for the use of graduation.

If a student chooses to borrow a cap and gown from their High School, they will receive the cap and gown at the graduation rehearsal and they will be required to return it immediately following the ceremony. The student must be aware that the borrowed cap and gown may not be new and may have been previously worn in the past.

Students can continue to purchase their cap, gown and tassels as their personal property for the use in the ceremony and to keep as a memento for pictures of their prestigious accomplishment. Many families keep their cap & gowns for any future graduates in the family. All purchased caps, gowns and tassels are new and not previously worn.

Under Education code Section 48904, failure to return each of the (3) items (cap/gown/tassel) in their entirety and undamaged will result in your son or daughter's diploma being held by the School and not being issued until the full current replacement cost has been received.

Students who have already paid, and would like to instead borrow a gown, cap and tassel may seek a refund for their purchase with Jostens.

We are excited about our upcoming graduation ceremony and look forward to seeing our community celebrate the Class of 2019. Your student's graduation is an amazing accomplishment and we wish your son/daughter continued success this senior year.
